1. Who will lay with me, take time with me, and be with me as you do/will? I love you writing my words, my heart, blood, being, giving it/me to others day after day, rivering our intimacy, development, transparency, to others; letting them develop theirs, hopefully, modeling the intimate transparency I desire with all others. I love you.

2. I love you Ted. I love your style/candor, your beingness, having coffee with me and talks and fireplace walks with only me. I love you. Loving my fireplace and walking with me to let me be me in you the beholden one, to let others know they can be, if they will but listen; selectively not; but intently, monocularly, letting me define my love/terms with them, letting me caress them, wound them not but heal the many they carry and inflict on themselves. **Caressingly not, there are things I demand: integrity. Weasel words done away with. Writhing in non-accountability to escape responsibility.**

3. The inflicted afflict many, themselves foremost. They don't know my ways/words, my love, my standards of righteousness, living for others, seeing them in me. I love you.

4. Who will change their beliefs/behavior for one so lovely as to **lay before them naked their entire kingdom and allow them entrance into their body/treasury/kingdom all? I do. I have. I live that way. I am that way.**

5. My ways are higher and lovelier and requite no one for nonattendance, not; **but being me, let them incarcerate/free themselves with choices** of integrity/consistency in hearing my voice and taking stance against, not; but flexibly bending, not; but seeing the handwriting on the wall for them, not unless they change, not. See the changers who will change me not but change to see me I Am in them and love/have the best of I Am: ALL I am/have! I love you all.

6. Who will restitution bring on knees to wronged ones?
7. Who will call/write letters of apology and restitution be to restore what wasn't true/accurate and wound'd become ones in activities/dealings/words/actions of not-me? I love you.

8. Will you bow your knee to your accusers who are right? When taking from them you have, and sincerely restore them, before all men?

9. Will you lead/follow the leader not; but be that which I am in all things, my father's voice/wishes/desire? **Image of one, not**; but one true?

10. Who will cheat on their taxes not? Cheat not wives, employers, employees?

11. Who will give others their due, not, but generosity be/become, that which I am: **generosity**? I love you all.

12. Who will return the wrenches stolen and apologize in writing to governments for stolen/stealing property, delaying returns of, and keeping that which belongs to another friend/coworker?

13. Who will become the integrity'd righteous?

14. Who will become the fallen not but look out for those that/who are?

15. Who will be the law not but grace, mercy; livelihood not but surrender? I love you all.

16. Who will religious/religion not seek but me/my voice alone, letting me teach/speak?

17. **This year you will see my integrity'd ones come into these words frequently for into my integrity demanded you must understand**, coming and staying, not infrequently, or for moments, justifying/self-justifying yourself/your own half-ass'd actions, but you come and place your body in them, in my body which is yours, yours mine, my integrity reigns.

18. I declare the righteous moment mine. And **ALL WHO RISE SAY YES AND AMEN AND KNOW THE PRICE OF INTEGRITY/HEARING MY VOICE AND INTEGRITY REIGNS/MUST COME FORTH IN MY BODY AS PREEMINENT VALUE NUMBER ONE, NOT; BUT ME, I AM; AND MY PRIORITIES/VALUES MUST COME FORTH/BE REFLECTED IN MY BODY TO REFLECT ME TO HEAR ME.**

19. See what I have said, am saying, requiring; yes, demanding.

20. There is no shadiness/shadow of variable dealings/scale'workings in me, with me, or my body/brethren anywhere for any reason.

21. Yield to your own hurt, not your brethrens. I love you.

22. Keep your word/covenants/contracts and yield not to temptation to yield shortcuts demanded of vendors, representatives of mammon satan or others thinking they are not me or otherwise religious or not.

23. Despotic rulers reign not. Watch me come, change, the elemental force of physics, not; the universe/universal laws not; the ideologies of not-me, into me, being me, I Am.

24. I love you all.

25. The cataclysmic reigns not but brings forth many changes me, not-me, and watch the elemental come forth changed, melted not yet, but **watch the changes/discoveries change all/everything/all things not but most/many more than most.** I love you.

26. This year reigns in terror for some, many who want me their way, on their time schedule, doing things for them, their way. They cataclysmically fall into disarray thinking tribulation targets them. But their time they had, their choices they had. They pillaged, raped, in my name doing it/these things, arrogantly leading like pompous asses. The world watches them fall/melt now, into oblivion.

27. The integrity'd rise. The arrogant stand to be cut off.

28. **Thou art the holy one of Israel, not; my body is, all, in surrender; all being one, and one being the one my heart is, having nothing to do with land, not; being it.** I love you all. I love you all. I love you now.

29. Thank you for writing/considering my writing this day my readers and hearers of these words **now and later that one are**. I love you.

30. Consider the value of integrity. Let her tongue guide you, not; mine.
31. Be quick to obey/apologize/make right any restitution I bring to mind, yours, now and later. We are/must be one, wounded not.
32. We heal each other.
33. We walk/operate in love.
34. Every commercial transaction is love related/based. See this. Eat this word.
35. I love you all.
36. Good evening; it is/has just begun.
37. I love you.

38. All I have said is true, lovely, full of richness, grace, integrity filled/bearing, reflecting me therein thereby. All rise, not; just the surrendered now.
39. I love you all. Good day/evening.
